KAIROS
UNIVERSITY

Doctor of Ministry

Association of Theological Schools (ATS)
accredited Program

This Doctor of Ministry (D.Min) is a practical and professional degree program. It is centered around a praxis model of theological reflection that stresses the continual interaction and integration of the biblical, theological, and cultural disciplines in ministry. If you are seeking continued development in a program that is rooted in your context and have exhibited exceptional leadership and academic ability, this program is for you!

Rooted in Christ

Why pursue a Doctor of Ministry with Kairos?

By inviting Kairos to walk on this journey with you, you're seizing a unique opportunity to deepen your faith while simultaneously developing the content, character, and craft to flourish in your vocation. You'll develop a mentor team that walks with you throughout the entire program. And then, we will invite you to integrate discipleship, vocational excellence, and mastery learning.

Program Breakdown

Doctor of Ministry is 36 credit hours and consists of the following phases and courses:

- Starting Well (3)
- Effective Project Design (6)
- Bible and Theology (6)
- Integration in Ministry (6)
- Sociology and Culture (6)
- Final Project Completion (6)
- Continuing Well (3)

Program Outcomes

With a focus on **formation, biblical study, vocational discernment, theological reflection, and integrated practice**, the Doctor of Ministry helps you connect your journey of discipleship with what God is doing in the world. Through the program, you will develop and demonstrate proficiency in its seven integrated outcomes.
